

For the Removal and Permanent Cure of ALL NERVOUS DISEASES,
And of those Complaints which are caused by an impaired
weakness in the nervous system.

This beautiful and permanent application of the mysterious
powers of GALVANISM and MAGNETISM, has been
pronounced by distinguished physicians, both in Europe and the
United States, to be the most valuable medicinal discovery of
the age.

**DR. CHRISTIE'S GALVANIC BELT
and
MAGNETIC FLUID,**
is used with the most perfect and certain success in all
cases of

GENERAL DEBILITY.
Strengthening the weakened body, giving tone to the various
organs, and invigorating the entire system. Also in FITS,
CRAMP, PARALYSIS and LALSY, DYSPEPSIA or INDI-
GESTION, RHEUMATISM, GOUT and CHRONIC GOUT,
EPILEPSY, LUMBAGO, SPASMS, NEURALGIC TREMORS,
PALPITATION OF THE HEART, APOPLEXY,
NEURALGIA, PAINS IN THE SIDE and CHEST, LIVER
COMPLAINT, NERVOUS COMPLAINT, and CURVATURE
OF THE SPINE, THE COMPLAINTS OF THE KIDNEYS,
DEPENDENCY OF NERVOUS and PHYSICAL EN-
ERGY, and ALL NERVOUS DISEASES, which complaints arise
from one simple cause—debility.

A Derangement of a Nervous System.
In NERVOUS COMPLAINTS, Drugs and Medicines
increase the disease, for they weaken the vital energies of the
already prostrated system; while under the strengthening,
life-giving, vitalizing influence of Galvanism, as applied by
this beautiful and wonderful discovery, the system is
restored and sustained, and restored to former health, strength,
elasticity and vigor.

The great peculiarity and rare essence of
Dr. Christie's Galvanic Cures,
consists in the fact that they arrest and cure disease by out-
ward application, in place of the usual mode of drug and
physic, which is applied to the interior, and which, in many
cases, only increases the disease.

They strengthen the whole system, equalize the circulation of
the blood, promote the secretions, and never do they
produce any untoward effects, or any injury to the
system, and, in fact, only three years since, more than
50,000 Persons

including all ages, classes and conditions, among which were
a large number of ladies, who are peculiarly subject to Nervous
Complaints, have been

ENTIRELY AND PERMANENTLY CURED,
when all hope of relief had been given up, and every thing
else had been tried in vain.

To illustrate the use of the GALVANIC BELT, suppose
the case of a person afflicted with that class of circulation,
DYSPEPSIA, or any other form of Nervous Disorder. In
ordinary cases, the stomach is affected, and the
nervous and muscular system, and, after temporary relief,
but which leaves the patient in a lower state, and with impaired
faculties, after the action has ceased. Now compare
the result with the GALVANIC BELT. Take a Dyspeptic, even in the
worse symptoms of an attack, and simply tie the Belt around
the body, using the Magnetic Fluid directed in a short
period the stomach is relieved, the nervous system is
restored, and the patient is cured. A FEW DAYS
IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE
DISEASE OF YEARS.

AN EXTRAORDINARY CASE,
which conclusively proves that
"Truth is stranger than Fiction."

RHEUMATISM, BRONCHITIS AND DYSPEPSIA.
Rev. Dr. Landis, a Clergyman
of New Jersey, who distinguishes attainments and exalted
reputation—

Shewet, New Jersey, July 12, 1848.

DR. A. H. CHURCH—Dear Sir, You wish to know of me
what has been the result in my case, of the application of
THE GALVANIC BELT AND NECKLACE. My reply is as
follows:

For about twenty years I had been suffering from Dyspepsia.
Every year the symptoms became worse, nor could I
obtain permanent relief from any course of medical treatment
whatever. About fourteen years since, in consequence of
frequent exposure to the weather in the discharge of my
pastoral duties, I became subject to a severe Chronic Rheuma-
tism, which for the purpose of my recovery, I resorted to
anguish. Further, in the winter of '42 and '43, in consequence
of preaching a great deal in my own and various other
churches in this region, I was attacked by the Bronchitis,
which soon became an acute and very distressing affec-
tion, and, in consequence of the same, I was obliged to
suspend of my pastoral labors. My nervous system was now
thoroughly prostrated, and as my Bronchitis became worse, so
also did my Dyspepsia and Rheumatism, thus evincing
that these disorders were connected together, and that the
medium of the Nervous System. In the whole pharmaco-
peia there seemed to be no remedial agent which could
reach and regenerate my Nervous System; every thing that I
had tried for this purpose had completely failed. At last I
was led by my friends to examine your invention, and (though
with no very sanguine hopes of their efficacy,) I determined
to try the effect of the application of the GALVANIC BELT
AND NECKLACE, with the MAGNETIC FLUID. This was
in June, 1846. To my great astonishment, in TWO DAYS MY
DYSPEPSIA HAD GONE; IN EIGHT DAYS I WAS ENABLED TO
RESUME MY PASTORAL LABORS; NOR HAVE I SINCE OBTAINED
A SINGLE RELAPSE OF EITHER OF THE DISEASES; AND MY
RHEUMATIC AFFECTION HAS ENTIRELY CEASED TO TROUBLE ME.
Such is the wonderful and happy result of the experiment.
I have recommended the BELT AND FLUID to many who
have been likewise suffering from the same affections. They
have tried them, WITH MANY BENEFITS, IN EVERY
CASE.

I am, dear sir, very respectfully yours,
ROBERT W. LANDIS.

Tic Dolorous and Neuralgia.
These dreadful and agonizing complaints are immediately
relieved by the application of the GALVANIC BELT AND
MAGNETIC FLUID. The Belt diffuses the Electricity through the
system; the Necklace has a local effect, and the Fluid acts
directly upon the affected nerves. In these distressing
afflictions the application NEVER FAILS.

FITS AND CONVULSIONS.
These alarming and terrible complaints are always caused
by a derangement of the Nervous System. The BELT, BRACKETS and
FLUID will cure nearly every case, no matter how young or
old the patient, or how confirmed the complaint. Numerous
and astonishing proofs are in possession of the proprietor.

Many hundreds of certificates from all parts of the country
of the most extraordinary character can be given, if required.

No trouble or inconvenience attends the use of DR.
CHRISTIE'S GALVANIC BELT AND FLUID, and they may
be worn by the most feeble and delicate with perfect ease and
safety. In many cases the sensation attending their use is
highly pleasant and agreeable. They can be sent to any part
of the country.

The Faculties, for intellectual abilities, moral
worth and professional acquirements, will compare
favorably with the most distinguished in our
country. The medical faculty constitutes an anomaly
in this or any other country—all of them are able
lecturers and the best of teachers.

Those who will contemplate our geographical
position, and the extent of our population, can have
no doubt as to the eligibility of our situation for an
enterprise of the kind. As to health, including
all seasons of the year, we deny that ANY OTHER
CITY HAS MORE.

A common error exists in the minds of many
students relative to the place of studying medicine;
those who intend practicing among the diseases of
the West and South should certainly educate
themselves at a school whose faculty are practical-
ly acquainted with those diseases.

That the public may be satisfied of the perman-
ency of this school, we feel it our duty to state,
that the Trustees and Faculty form a UNIT in action,
which augurs well for its future success; and that
the peculiar internal organization which connects
them, cannot be interrupted.

Expectorative and Monthly Pills.

taining full directions, useful hints, informa-
tion and advice to females from youth or puberty
to old age.

Nature will be much assisted by their use, in
anticipation of certain periods, or where there is
irregularity, suppression or absence of the natural
changes, and will relieve the suffering, pain and
distress common to many at those periods. There
are other times, also, when the married and single
will find them useful.

Mothers do not mistake the ailings of your
daughters; when afflicted with Head-ache, Dizzi-
ness, Fainting, Loss of Appetite, Sickness of the
Stomach, Pains in the Sides or Breasts, Pains a-
long the Back, Spine or across the Loins, Hysterical
or Nervous feeling, Depression or Lowness of
the Spirits, Melancholy Dislike to exercise and
society, Palpitation of Heart, Bleeding at the nose
&c. Too often are medicines given them for Liver
complaints, Dyspepsia, Consumption, &c., when
the real cause is not suspected; and through im-
proper medicines and treatment their constitu-
tions are destroyed; and their constitutions are de-
stroyed, and they become miserable during life.

Thousands of Females in Philadelphia, New
York, Boston, Baltimore and elsewhere know the
efficacy of those Pills, and many could be referred
to, but delicacy and respect to the sex forbids it.

CAN BE EFFECTUALLY CURED BY

**DR. HOOFLAND'S
CELEBRATED GERMAN BITTERS,**

PREPARED BY
DR. C. M. JACKSON,
AT THE GERMAN MEDICINE STORE,
120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if
equalled, by any other preparation in the United States
as the cures attest, in many cases after skillful physicians,
had failed.

These Bitters are worthy the attention of invalids. Possessing
great virtues in the rectification of diseases of the
Liver and lesser glands, exercising the most searching
powers in weakness and affections of the digestive organs,
they are, without a safe, certain and pleasant.

READ AND BE CONVINCED.
Chas. Robinson, Esq., Easton, Md., in a letter to Dr.
Jackson, Jan. 9, 1850, said—

"My wife and myself have received more benefit from
your medicine than any other we have ever taken for the
Dyspepsia and Liver disease."
"The 'Peach Legion,' published at Woodstock, Va.,
Jan. 10, 1850, said—

"A GREAT MEDICINE."

"We have uniformly refrained from recommending to
the public any of the various Patent Medicines of the day,
unless thoroughly convinced of their value. Among those
we consider worthy of notice is the German Bitters, inven-
ted by Dr. Hoofland, and prepared by Dr. Jackson, in Phila-
delphia. One instance in particular, in which the superi-
or virtues of this medicine have been tested, has fallen
under our observation. During the last summer, a son of
Mr. Abraham Brabill, of this country, was very seriously
afflicted with Liver Complaint, and after trying in vain
various remedies, he purchased a bottle of the Bitters and
after using it, was so much relieved of his distressing malady
that he procured another bottle, and is restored entire-
ly to health."

READ FURTHER A FEW FACTS.
The "Philadelphia Democrat," the leading German journal
of Philadelphia, the editor said, Nov. 1850.

"We again call attention to the removal of the German
Medicine Store, the principal depot for the sale of Dr. Hoof-
land's German Bitters, from 278 Race to 120 Arch street,
one door below Sixth. Owing to the increased demand
for this medicine, and for the accommodation of his numer-
ous patients, Dr. Jackson has been compelled to occupy a
larger store. We wish to advise by one quarter of
the greatest medicine extant for diseases of the Liver and
Bowels. A stubborn case of Chronic Diarrhoea has come
under our notice, wherein the patient had exhausted the
Materia Medica of the different schools of medicine with
no apparent benefit. He was induced to use these bitters,
and a few bottles of them have entirely cured him. Many
such cases we could refer to. We hope our readers will
recollect this great restorative, should they be so unfortu-
nate as to require its use. Dr. Jackson possesses the origi-
nal unpublished receipt of Dr. Hoofland, and he prepares
this medicine with this care. Those purchasing should
call at his store, or see that his name is written upon the
wrapper around, and blown in the bottle, as imitations
of all good articles are common."
Judge M. M. Nash, a gentleman with great scientific and
literary attainments, said in his "New York Weekly Mes-
senger," Jan. 6, 1850.

"DR. HOOFLAND'S GERMAN BITTERS.—Here is a pre-
paration which the leading presses in the Union appear to
be unanimous in recommending, and the reason is obvious.
It is made after a prescription by one of the most
able and distinguished physicians of modern times, the late Dr. Christo-
pher Wilhelm Hoofland, Professor to the University of
Jena, Private Physician to the King of Prussia, and one of
the greatest medical writers Germany has ever produced.
It was emphatically the enemy of humbug, and therefore
a medicine of which he was the inventor and endorser may
be confidently relied on. It is especially recommended in
all cases of nervous debility, vertigo, acidity of the
stomach, constipation, and all complaints arising from
a disordered condition of the stomach, the liver and the
intestines. Nine Philadelphia papers express their conviction
of its excellence, and several of the editors speak of
its effects from their own individual experience. Under
these circumstances we feel warranted not only in calling
the attention of our readers to the present proprietor's (Dr.
C. M. Jackson's) preparation, but in recommending the ar-
ticle to all afflicted."

MORE EVIDENCE.
The "Philadelphia Saturday Gazette," the best family
newspaper published in the United States, in the editor's words
of DR. HOOFLAND'S GERMAN BITTERS.

"It is seldom that we recommend what is termed Pat-
ent Medicines to the confidence and patronage of our read-
ers, and therefore, when we recommend Dr. Hoofland's
German Bitters, we wish it to be distinctly understood that
we are not speaking of a brief period and then forgotten after they
have done their guilty race of mischief, but of a medicine
long established, universally prized, and which has met
the hearty approval of the Faculty itself."

Evidence upon every section of the Union, the last three
years, and the strongest testimony in its favor, is that there
is more of it used in the practice of the regular Physicians
of Philadelphia than all other nostrums combined, a fact
that can easily be established, and fully proving that a
scientific preparation will meet with their quiet approval
when presented in this form.

That this medicine will cure liver complaint and dyspep-
sia, no one can doubt, after using it as directed. It acts
specifically upon the stomach and liver—it is preferable to
calomel in all bilious diseases—the effect is immediate.—
They can be administered to female or infant with safety
and reliable benefit, at any time.

BWARE OF COUNTERFEITS.
This medicine has attained that high character which
is necessary for all medicines to attain to induce counter-
feiters to put forth a spurious article at the risk of the lives
of those who are induced to use it.

LOOK WELL TO THE MARKS OF THE GENUINE.
They will be the written signature of C. M. JACKSON
upon the wrapper, and the name blown in the bottle, with-
out which they are spurious.

**JEW DAVID'S OR HEBREW PLASTER IN NORTH
CAROLINA.**
Messrs. SCOVIL & MEAD: I have been troubled with
the chronic rheumatism for the last twelve years. On the
1st of July, 1849, I was so bad that I could not turn myself
in bed, and the pain so severe, sleeping in tents or on the
ground, Rheumatism, Spinal Disease, Stiff Joints, Lam-
back or Side, and all like diseases are sure to trouble them,
and many times entirely lay them up, when the simple
application of this plaster would give them immediate
relief, and enable them to proceed with their labors without
delay.

It has been very beneficial in cases of weakness, such as
Pain and Weakness in the Stomach, Weak Limbs, Affec-
tions of the Spine, Female Weakness, &c. No female,
subject to pain and weakness in the back or side, should
be without it. Married ladies, in delicate situations, find
great relief from constantly wearing this Plaster.
